

Message from our Campus Principal

Hello everyone, well it feels like we just returned to a 'normal' routine and already we are looking ahead to the end of year events. Traditionally each year level celebrates the end of year with their teachers and peers. Although the activities might be different to ensure they are COVID safe and within the guidelines, there will still be a chance to relax and reflect on the year that was with friends and team teachers. See messages from Year Level leaders over the coming weeks for more information.

Upgrades

The gazebo and slab upgrade are coming along with only a few final touches before students are able to make full use of the facilities. Next on our list is a much-needed upgrade to the Food Technology rooms. Works should begin in Term 4 to bring that space into the 21st Century.

Exams

Year 10 students will sit exams in English and Maths before heading to the senior campus for Headstart. Preparing for and sitting exams is an important life skill and I encourage all year 10 students to approach the exams with a positive attitude and seek assistance from their teachers.

Other events

At this stage COVID 19 will prevent us from holding our normal awards ceremonies and transition programs. I will provide more information in coming newsletters as we arrange a new style program for 2020.

Attendance

The importance of attending school is well documented. School provides a good training ground to practise the skills of learning, independence, collaboration, and cooperation. It is difficult to learn what you are not there to learn. Please encourage your child to attend school every day with the appropriate equipment and attitude to make the most of every lesson.

As always, please call the relevant team leader or myself if you have any questions.

14th November at 9:00am

Online registrations are open
from 14th November to 10th November

2 DAYS ONLY - 12TH & 13TH NOVEMBER

Sections will be held at

A parent/carer must attend and be willing to participate with the child.

For more information, please contact Sam (coach) on 0114516295 or Louise Varroci on 0114516295.

The event is a fantastic opportunity for children to showcase their talents and receive feedback from professional judges. It is a chance for children to gain confidence and experience in a supportive environment. The event is held at a central location, making it easily accessible for all participants.
