

ASSESSMENT AND REPORTING POLICY

Policy Statement

Accurate and comprehensive assessment and reporting of College and student performance aids in establishing open communication, helps to improve student learning, assists in establishing future direction, and helps to identify areas of exemplary performance, as well as those in need of support and assistance.

Kurnai College uses Continuous Online Reporting. As students complete assessment tasks throughout the year, a short report on this task will be forwarded to parents and carers via Compass.

These individual reports will provide information on student learning and achievement.

2. Teachers will develop and keep records that provide information of student learning.
 3. Teachers will use the data they collect to make judgements about, and report on, student achievement for students in Years 7-10 in relation to Victorian Curriculum achievement standards.
- Eligible students for whom English is a second language will have their progress in English assessed in relation to the stages of the EAL Companion to the English Victorian Curriculum.
 - The College will provide a written student report at least twice a year to the parents or carers of each student enrolled at the school.
 - Reports will be provided in electronic form through the College Learning Management System (Compass). Hard copies will be available by request.
 - Assessment and Reporting of VCE, VCAL and VET subjects will be in accordance with the policies and guidelines of the Victorian Curriculum and Assessment Authority (VCAA).

- The school will provide all required performance data to DET and the community by means of an annual report, as well as an Executive Summary of performance data to all families.
